Fee and rental for Parcels 10018-10088 (incl.): Fee, \$200; rent, \$7.50 per hectare.

\* Lease term, 5 years.

Whole gas spacing may not be split by any lease selection except in the case of an oil discovery on a drilling licence or where the units which may be earned dictate otherwise.

Separate tenders enclosed in sealed envelopes marked "Tender for Parcel " must be submitted.

Each tender must be submitted showing the correct names of bidders and covered by an accepted cheque, bank draft or money order made payable to the Minister of Finance in an amount to cover, fee, rental and bonus. It is requested that instructions be given for returning of cheques, bank drafts or money orders covering unsuccessful bids. Cheques submitted for bonus bids should be in amounts directly related to any combination of bids being offered so as to minimize any overpayment. Issue of cheques for a refund of any amount not required is the responsibility of the Ministry of Finance and some delay in the issue of refund cheques can be expected.

Anyone may ask that, if an offer on one or more parcels is not accepted, it be considered on another parcel or parcels, providing the intent and order of choice is clearly stated and the amount of the remittance is sufficient to satisfy the fee, rental and bonus on the further choice.

Tenders involving slide bonus offers must only include parcels of a like kind, i.e., all permit, all drilling licence or all lease. Any tender received contrary to this condition will not be considered.

The right to reject any or all offers received is reserved.

Dated at Victoria, B.C., this 25th day of January 1985. — Stephen Rogers, *Minister of Energy, Mines and Petroleum Resources*. [fe14 — 9906]
